MDI Based Polyurethane Market Trends and Forecast

The future of the global MDI based polyurethane market is positive with opportunities construction, appliance, transportation, furniture & bedding, footwear, packaging, and general & industrial engineering industries. The global MDI based polyurethane market is expected to reach an estimated \$23.3 billion by 2027 with a CAGR of 3.8% from 2021 to 2027. The major driver for growth in this market is increasing demand for higher thermal insulating materials in building and construction, home appliances, and transportation sectors., increased production growth of lightweight vehicles and an increase in regulatory pressure for energy efficiency and lowering CO2 emissions.

Emerging Trends in the MDI Based Polyurethane Market

Emerging trends, which have a direct impact on the dynamics of the industry, include include the development of high flame retardant PU foam and biobased MDI.

A total of 107 figures / charts and 68 tables are provided in this 198-page report to help in your business decisions. A sample figure with insights is shown below. To learn the scope of benefits, companies researched, and other details of the MDI based polyurethane market report, please download the report brochure.

MDI Based Polyurethane Market by Segment

The study includes a forecast for the global MDI based polyurethane market by application, end use, and region as follows:

MDI Based Polyurethane by Application [Value (\$B) and Volume (M lbs) shipment analysis for 2016 – 2027]:

Rigid Foam

Flexible Foam

Coating

Adhesive and Sealant

Elastomer

MDI Based Polyurethane by End Use [Value (\$B) and Volume (M lbs) shipment analysis for 2016 – 2027]:

Construction

Appliance

Transportation

Furniture and Bedding

Footwear

Packaging

General/ Industrial Engineering

Others

MDI Based Polyurethane By Region [Value (\$B) and Volume(M lbs) shipment analysis for 2016 – 2027]:

North America

US

Canada

Mexico

Europe

Germany

The United Kingdom

France

Italy

Spain

Asia Pacific

China

Japan

India

South Korea

The Rest of the World

Brazil

List of MDI Based Polyurethane Companies

Companies in the market compete on the basis of product quality offered. Major players in this market focus on expanding their manufacturing facilities, R&D investments,

infrastructural development, and leverage integration opportunities across the value chain. With these strategies MDI based polyurethane companies cater increasing demand, ensure competitive effectiveness, develop innovative products & technologies, reduce production costs, and expand their customer base. Some of the MDI based polyurethane companies profiled in this report includes.

BASF

Covestro

Huntsman Corporation

Dow Chemicals

Wanhua Chemical Group Co. Ltd.

Mitsui Chemicals Inc.

Tosoh Corporation

Sadara Chemical Company

MDI Based Polyurethane Market Insight

Lucintel forecasts that construction will remain the largest end use over the forecast period due to increasing demand of rigid foam for thermal and acoustic insulation in exterior and interior walls.

Rigid foam will remain the largest segment over the forecast period due to of growing demand of PU foam in building & construction and appliances industries for thermal insulation and energy savings.

Asia Pacific is expected to remain the largest region and witness the highest growth over the forecast period due to growing investment in building and construction, and increasing production of automotive and appliances..

Features of MDI Based Polyurethane Market

Market size estimates: MDI based polyurethane market size estimation in terms of value (\$B) and volume (M lbs) shipment.

Trend and forecast analysis: Market trend (2016-2021) and forecast (2022-2027) by application, and end use.

Segmentation analysis: MDI based polyurethane market size by various applications such as application, end use in terms of value and volume shipment.

Regional analysis: MDI based polyurethane market breakdown by North America, Europe, Asia Pacific, and the Rest of the World.

Growth opportunities: Analysis on growth opportunities in different applications and regions for MDI based polyurethane in the global MDI based polyurethane market.

Strategic analysis: This includes M&A, new product development, and competitive landscape for MDI based polyurethane in the global MDI based polyurethane market.

Analysis of competitive intensity of the industry based on Porter's Five Forces model.

FAQ

Q1. What is the MDI based polyurethane market size?

Answer: The global MDI based polyurethane market is expected to reach an estimated \$23.3 billion by 2027

Q2. What is the growth forecast for MDI based polyurethane market?

Answer: The MDI based polyurethane market is expected to grow at a CAGR of 3.8% from 2021 to 2027.

Q3. What are the major drivers influencing the growth of the MDI based polyurethane market?

Answer: The major driver for growth in this market is increasing demand for higher thermal insulating materials in building and construction, home appliances, and transportation sectors., increased production growth of lightweight vehicles and an increase in regulatory pressure for energy efficiency and lowering CO2 emissions.

Q4. What are the major applications or end use industries for MDI based polyurethane?

Answer: Construction and appliances are the major end use for MDI based polyurethane.

Q5. What are the emerging trends in MDI based polyurethane market?

Answer: Emerging trends, which have a direct impact on the dynamics of the MDI based polyurethane industry, include the development of high flame retardant PU foam and bio based MDI.

Q6. Who are the key MDI based polyurethane companies?

Answer: Some of the key MDI based polyurethane companies are as follows:

BASF.

Covestro

Huntsman Corporation

Wanhua Chemical Group Co., Ltd.

The Dow Chemical Company

Mitsui Chemicals Inc.

Tosoh Corporation

Sadara Chemical Company

Q7. Which MDI based polyurethane product segment will be the largest in future?

Answer: Lucintel forecasts that rigid foam will remain the largest segment over the forecast period due to of growing demand of PU foam in building & construction and appliances industries for thermal insulation and energy savings.

Q8: In MDI based polyurethane market, which region is expected to be the largest in next 5 years?

Answer: Asia Pacific is expected to remain the largest region and witness the highest growth over next 5 years

Q9. Do we receive customization in this report?

Answer: Yes, Lucintel provides 10% Customization Without any Additional Cost.

This report answers following 11 key questions

Q.1 What are some of the most promising potential, high-growth opportunities for the global MDI based polyurethane market by application (rigid foam, flexible foam, coating, adhesive and sealant and elastomer), end use (construction, appliance, transportation, furniture and bedding, footwear, packing, general/ industrial engineering and others), region (North America, Europe, Asia Pacific, and the Rest of the World)

Q. 2 Which segments will grow at a faster pace and why?

Q.3 Which regions will grow at a faster pace and why?

Q.4 What are the key factors affecting market dynamics? What are the drivers and challenges of the market?

Q.5 What are the business risks and threats to the market?

Q.6 What are the emerging trends in this market and the reasons behind them?

Q.7 What are the changing demands of customers in the market?

Q.8 What are the new developments in the market? Which companies are leading these developments?

Q.9 Who are the major players in this market? What strategic initiatives are being implemented by key players for business growth?

Q.10 What are some of the competitive products and processes in this area and how big of a threat do they pose for loss of market share via material or product substitution?

Q.11 What M & A activities have taken place in the last 5 years in this market?

For any questions related to MDI based polyurethane market or related to MDI based polyurethane suppliers, MDI based polyurethane manufacturers, MDI based polyurethane raw material, MDI based polyurethane cost, MDI based polyurethane market trend and forecast, MDI based polyurethane applications, MDI based polyurethane market share, MDI based polyurethane market analysis, MDI based polyurethane market size, write Lucintel analyst at email: helpdesk@lucintel.com. We will be glad to get back to you soon.
