Patio Door Market Trends and Forecast

The future of the patio door market looks promising with opportunities in the new construction and remodeling/replacement applications. The global patio door market is expected to reach an estimated \$45.4 billion by 2028 with a CAGR of 5.3% from 2023 to 2028. The major drivers for this market are rapid urbanization, increasing expenditure on home improvement & renovation activities, and growing trend of eco-friendly door technologies in the developed countries.

Patio Door Market

A more than 150-page report is developed to help in your business decisions. A sample figure with some insights is shown below.

Patio Door Market by Segments

Patio Door Market by Segment

The study includes trends and forecast for the global patio door market by product type, application, and region, as follows:

Patio Door Market by Product Type [Value (\$B) Shipment Analysis from 2017 to 2028]:

Wood

Aluminum

Vinyl

Steel

Fiberglass

Others

Patio Door Market by Application [Value (\$B) Shipment Analysis from 2017 to 2028]:

New Construction

Remodeling/Replacement

Patio Door Market by Region [Value (\$B) Shipment Analysis from 2017 to 2028]:

North America

Europe

Asia Pacific

The Rest of the World

List of Patio Doors Companies

Companies in the market compete on the basis of product quality offered. Major players in this market focus on expanding their manufacturing facilities, R&D investments, infrastructural development, and leverage integration opportunities across the value chain. With these strategies, patio door companies cater to increasing demand, ensure competitive effectiveness, develop innovative products & technologies, reduce production costs, and expand their customer base. Some of the patio door companies profiled in this report include-

Artisan Hardware

Colonial Elegance

Concept SGA

Simpson Door Company

Contractors Wadrobe

Jeld-Wen

Bayer Built WoodWorks

Masonite International Corporation

Patio Door Market Insights

Lucintel forecasts that aluminum will witness the highest growth over the forecast period as aluminum patio doors are energy efficient, lighter in weight, and affordable as compared to other product types.

New construction is expected to remain the larger application segment due to increasing disposable income and growing number of residential and commercial construction activities.

North America will remain the largest region due to significantly growing construction industry and the rapid rate of urbanization in the region.

Features of the Patio Door Market

Market Size Estimates: Patio door market size estimation in terms of value (\$B)

Trend And Forecast Analysis: Market trends (2017-2022) and forecast (2023-2028) by various segments and regions.

Segmentation Analysis: Patio door market size by various segments, such as by

product type, application, and region

Regional Analysis: Patio door market breakdown by North America, Europe, Asia Pacific, and the Rest of the World.

Growth Opportunities: Analysis on growth opportunities in different product types, applications, and regions for the patio door market.

Strategic Analysis: This includes M&A, new product development, and competitive landscape for the patio door market.

Analysis of competitive intensity of the industry based on Porter's Five Forces model.

FAQ

Q1. What is the patio door market size?

Answer: The global patio door market is expected to reach an estimated \$45.4 billion by 2028.

Q2. What is the growth forecast for patio door market?

Answer: The global patio door market is expected to grow with a CAGR of 5.3% from 2023 to 2028.

Q3. What are the major drivers influencing the growth of the patio door market?

Answer: The major drivers for this market are rapid urbanization, increasing expenditure on home improvement & renovation activities, and growing trend of eco-friendly door technologies in the developed countries.

Q4. What are the major segments for patio door market?

Answer: The future of the patio door market looks promising with opportunities in the new construction and remodeling/replacement applications.

Q5. Who are the key patio door companies?

Answer: Some of the key patio door companies are as follows:

Artisan Hardware

Colonial Elegance

Concept SGA

Simpson Door Company

Contractors Wadrobe

Jeld-Wen

Bayer Built WoodWorks

Masonite International Corporation

Q6. Which patio doors segment will be the largest in future?

Answer: Lucintel forecast that aluminum will witness the highest growth over the forecast period as aluminum patio doors are energy efficient, lighter in weight, and affordable as compared to other product types.

Q7. In patio door market, which region is expected to be the largest in next 5 years?

Answer: North America will remain the largest region due to significantly growing construction industry and the rapid rate of urbanization in the region.

Q8. Do we receive customization in this report?

Answer: Yes, Lucintel provides 10% Customization Without any Additional Cost.

This report answers following 11 key questions

Q.1. What are some of the most promising, high-growth opportunities for the global patio door market by product type (wood, aluminum, vinyl, steel, fiberglass, and others), application (new construction and remodeling/replacement), and region (North America, Europe, Asia Pacific, and the Rest of the World)?

Q.2. Which segments will grow at a faster pace and why?

Q.3. Which region will grow at a faster pace and why?

Q.4. What are the key factors affecting market dynamics? What are the key challenges and business risks in this market?

Q.5. What are the business risks and competitive threats in this market?

Q.6. What are the emerging trends in this market and the reasons behind them?

Q.7. What are some of the changing demands of customers in the market?

Q.8. What are the new developments in the market? Which companies are leading these developments?

Q.9. Who are the major players in this market? What strategic initiatives are key players pursuing for business growth?

Q.10. What are some of the competing products in this market and how big of a threat do they pose for loss of market share by material or product substitution?

Q.11. What M&A activity has occurred in the last five years and what has its impact been on the industry?

For any questions related to patio door market or related to patio door companies, patio door market size, patio door market share, patio door analysis, patio door market growth, patio door market research, write Lucintel analyst at email:
