The global per encounter medical market is expected to reach an estimated \$270.2 billion by 2030 with a CAGR of 14.6% from 2024 to 2030. The major drivers for this market are rising demand for personalized medicine, increasing demand for healthcare services, and expanding home healthcare services.

A more than 150-page report is developed to help in your business decisions. Sample figures with some insights are shown below.

Per Encounter Medical by Segment

The study includes a forecast for the global per encounter medical by product type, distribution channel, application, and region.

Per Encounter Medical Market by Product Type [Shipment Analysis by Value from 2018 to 2030]:

Consumables

Devices

Software

Services

Others

Per Encounter Medical Market by Distribution Channel [Shipment Analysis by Value from 2018 to 2030]:

Direct Tender

Retail Sales

Online Sales

Others

Per Encounter Medical Market by Application [Shipment Analysis by Value from 2018 to 2030]:

Cardiology

Orthopedics

Obstetrics/Gynecology

Ophthalmology

Gastroenterology

Others

Per Encounter Medical Market by Region [Shipment Analysis by Value from 2018 to 2030]:

North America

Europe

Asia Pacific

The Rest of the World

List of Per Encounter Medical Companies

Companies in the market compete on the basis of product quality offered. Major players in this market focus on expanding their manufacturing facilities, R&D investments, infrastructural development, and leverage integration opportunities across the value chain. With these strategies per encounter medical companies cater increasing demand, ensure competitive effectiveness, develop innovative products & technologies, reduce production costs, and expand their customer base. Some of the per encounter medical companies profiled in this report include-

Abbott

Cardinal Health

Johnson & Johnson

Medtronic

3M

Steris

Catalent

Smiths Medical

Schott

Nipro Corporation

Per Encounter Medical Market Insights

Lucintel forecasts that retail sale is expected to witness the highest growth over the forecast period.

Within this market, gastroenterology is expected to witness the highest growth over the forecast period.

North America will remain the largest region over the forecast period due to favorable reimbursement policies, high prevalence of chronic diseases, and sophisticated healthcare system in the region.

Features of the Global Per Encounter Medical Market

Market Size Estimates: Per encounter medical market size estimation in terms of value (\$B).

Trend and Forecast Analysis: Market trends (2018 to 2023) and forecast (2024 to 2030) by various segments and regions.

Segmentation Analysis: Per encounter medical market size by product type, distribution channel, application, and region in terms of value (\$B).

Regional Analysis: Per encounter medical market breakdown by North America, Europe, Asia Pacific, and Rest of the World.

Growth Opportunities: Analysis of growth opportunities in different product types, distribution channels, applications, and regions for the per encounter medical market.

Strategic Analysis: This includes M&A, new product development, and competitive landscape of the per encounter medical market.

Analysis of competitive intensity of the industry based on Porter's Five Forces model.

FAQ

Q1. What is the per encounter medical market size?

Answer: The global per encounter medical market is expected to reach an estimated

\$270.2 billion by 2030.

Q2. What is the growth forecast for per encounter medical market?

Answer: The global per encounter medical market is expected to grow with a CAGR of 14.6% from 2024 to 2030.

Q3. What are the major drivers influencing the growth of the per encounter medical market?

Answer: The major drivers for this market are rising demand for personalized medicine, increasing demand for healthcare services, and expanding home healthcare services.

Q4. What are the major segments for per encounter medical market?

Answer: The future of the per encounter medical market looks promising with opportunities in the cardiology, orthopedic, obstetrics/gynecology, ophthalmology, and gastroenterology markets.

Q5. Who are the key per encounter medical market companies?

Answer: Some of the key per encounter medical companies are as follows:

Abbott

Cardinal Health

Johnson & Johnson

Medtronic

3M

Steris

Catalent

Smiths Medical

Schott

Nipro Corporation

Q6. Which per encounter medical market segment will be the largest in future?

Answer: Lucintel forecasts that retail sale is expected to witness the highest growth over the forecast period.

Q7. In per encounter medical market, which region is expected to be the largest in next 5 years?

Answer: North America will remain the largest region over the forecast period due to favorable reimbursement policies, high prevalence of chronic diseases, and sophisticated healthcare system in the region.

Q.8 Do we receive customization in this report?

Answer: Yes, Lucintel provides 10% customization without any additional cost.

This report answers following 11 key questions:

Q.1. What are some of the most promising, high-growth opportunities for the per encounter medical market by product type (consumables, devices, software, services, and others), distribution channel (direct tender, retail sales, online sales, and others), application (cardiology, orthopedics, obstetrics/gynecology, ophthalmology, gastroenterology, and others), and region (North America, Europe, Asia Pacific, and the Rest of the World)?

Q.2. Which segments will grow at a faster pace and why?

Q.3. Which region will grow at a faster pace and why?

Q.4. What are the key factors affecting market dynamics? What are the key challenges and business risks in this market?

Q.5. What are the business risks and competitive threats in this market?

Q.6. What are the emerging trends in this market and the reasons behind them?

Q.7. What are some of the changing demands of customers in the market?

Q.8. What are the new developments in the market? Which companies are leading these developments?

Q.9. Who are the major players in this market? What strategic initiatives are key players pursuing for business growth?

Q.10. What are some of the competing products in this market and how big of a threat do they pose for loss of market share by material or product substitution?

Q.11. What M&A activity has occurred in the last 5 years and what has its impact been on the industry?
