Professional Potting Soil Trends and Forecast

The future of the global professional potting soil market looks promising with opportunities in the indoor & gardening, greenhouse, and lawn & landscaping markets. The global professional potting soil market is expected to reach an estimated \$2.4 billion by 2030 with a CAGR of 5.9% from 2024 to 2030. The major drivers for this market are growing demand for organic food, rising demand of indoor gardening, and increase in horticulture and floriculture industries.

A more than 150-page report is developed to help in your business decisions. Sample figures with some insights are shown below.

Professional Potting Soil by Segment

The study includes a forecast for the global professional potting soil by product, application, and region.

Professional Potting Soil Market by Product [Shipment Analysis by Value from 2018 to 2030]:

Soil Without Fertilizer

Soil With Fertilizer

Professional Potting Soil Market by Application [Shipment Analysis by Value from 2018 to 2030]:

Indoor & Gardening

Greenhouse

Lawn & Landscaping

Others

Professional Potting Soil Market by Region [Shipment Analysis by Value from 2018 to 2030]:

North America

Europe

Asia Pacific

The Rest of the World

List of Professional Potting Soil Companies

Companies in the market compete on the basis of product quality offered. Major players in this market focus on expanding their manufacturing facilities, R&D investments, infrastructural development, and leverage integration opportunities across the value chain. With these strategies professional potting soil companies cater increasing demand, ensure competitive effectiveness, develop innovative products & technologies, reduce production costs, and expand their customer base. Some of the professional potting soil companies profiled in this report include-

Scotts Miracle

Lambert

Klasmann-Deilmann

ASB Greenworld

Espoma company

FoxFarm Soil & Fertilizer

Michigan Peat

Sun Gro Horticulture

Hydrofarm

Australian Native Landscapes

Professional Potting Soil Market Insights

Lucintel forecasts that soil with fertilizer will remain larger segment over the forecast period.

Within this market, indoor & gardening is expected to witness the highest growth over the forecast period.

Europe will remain the largest region over the forecast period.

Features of the Global Professional Potting Soil Market

Market Size Estimates: Professional potting soil market size estimation in terms of value (\$B).

Trend and Forecast Analysis: Market trends (2018 to 2023) and forecast (2024 to 2030) by various segments and regions.

Segmentation Analysis: Professional potting soil market size by product, application, and region in terms of value (\$B).

Regional Analysis: Professional potting soil market breakdown by North America, Europe, Asia Pacific, and Rest of the World.

Growth Opportunities: Analysis of growth opportunities in different products, applications, and regions for the professional potting soil market.

Strategic Analysis: This includes M&A, new product development, and competitive landscape of the professional potting soil market.

Analysis of competitive intensity of the industry based on Porter's Five Forces model.

FAQ

Q1. What is the professional potting soil market size?

Answer: The global professional potting soil market is expected to reach an estimated \$2.4 billion by 2030.

Q2. What is the growth forecast for professional potting soil market?

Answer: The global professional potting soil market is expected to grow with a CAGR of 5.9% from 2024 to 2030.

Q3. What are the major drivers influencing the growth of the professional potting soil market?

Answer: The major drivers for this market are growing demand for organic food, rising demand of indoor gardening, and increase in horticulture and floriculture industries.

Q4. What are the major segments for professional potting soil market?

Answer: The future of the professional potting soil market looks promising with opportunities in the indoor & gardening, greenhouse, and lawn & landscaping markets.

Q5. Who are the key professional potting soil market companies?

Answer: Some of the key professional potting soil companies are as follows:

Scotts Miracle

Lambert

Klasmann-Deilmann

ASB Greenworld
