## Abstracts

The value chain in the biostimulant market is diverse and continually evolving. Lucintel identifies major players, opportunity size, and profitability across various nodes of the biostimulant value chain.

The future of the biostimulant market looks promising with opportunities in the seed treatment, soil treatment, and foliar treatment markets. The global biostimulant market is expected to grow with a CAGR of 11% from 2022 to 2027. The major drivers for this market are Yield and cost advantages for growers, favorable government support, rising demand for natural crop production, precision farming, and organic farming, higher occurrence of abiotic stress in land, and sustainability in agriculture

Lucintel, a leading global management consulting and market research firm, has analyzed the value chain of the biostimulant market and has come up with a comprehensive research report, "Value Chain Analysis of the Biostimulant Market". The report suggests valuable insights for sales and marketing professionals interested in the industry.

The study includes following discussion points on biostimulant value chain on a global level:

Industry outlook

Major players at various nodes of the value chain

Market size (\$) at various nodes of the value chain

Profitability analysis at various nodes of the value chain

Designed for the industry professionals, agricultural firms, and users of biostimulant, this report titled "Value Chain Analysis of the Biostimulant Market" is a comprehensive study providing valuable key insights across the various nodes of the biostimulant value chain. A total of 5 figures/charts and 5 tables are provided in this 30-page report to help in your business decisions. To learn the scope, benefits and other details of this report, download the report brochure. This report will save hundreds of hours of your own personal research time and will significantly benefit you in understanding the dynamics in the biostimulant value chain.

## Contents

### **1. MARKET OVERVIEW**

- 1.1: Industry Outlook
- 1.2: Industry Drivers and Challenges

### **2. VALUE CHAIN ANALYSIS**

- 2.1: Value Chain in the Global BioStimulant market
- 2.2: Major Players across the Value Chain
- 2.3: Market Size Analysis at Various Nodes of the Value Chain
- 2.4: Profitability Analysis at Various Nodes of the Value Chain
