Abstracts

Budget hotels are what commonly known as the Bed and breakfast hotels. As the name suggests these are the hotels that provide very basic facilities and amenities. A budget hotel caters to business travellers usually who only require a place to sleep and breakfast and are travelling on a tight budget.

This report elaborates the market size, market characteristics, and market growth of the Budget Hotels industry, and breaks down according to the type, application, and consumption area of Budget Hotels. The report also conducted a PESTEL analysis of the industry to study the main influencing factors and entry barriers of the industry.

In Chapter 3.4 of the report, the impact of the COVID-19 outbreak on the industry was fully assessed. Fully risk assessment and industry recommendations were made for Budget Hotels in a special period. This chapter also compares the markets of Pre COVID-19 and Post COVID-19.
