Business travel is travel undertaken for work or business purposes, as opposed to other types of travel, such as for leisure purposes or regularly commuting between one's home and workplace.

Travel wholesaler as defined is an agent who offers travel-related products and services inside the travel industry. These travel-related products include tours, activities, accommodations and transportation. Most travelers prefer to book packages with includes almost everything (transportation, accommodation and tours). This is one of the reasons why wholesale travel suppliers play an important role in the travel industry.
