Abstracts

A Funeral Service is a service held to memorialize a deceased person with their body present. Common secular motivations for funerals include mourning the deceased, celebrating their life, and offering support and sympathy to the bereaved.

This report elaborates the market size, market characteristics, and market growth of the Funeral Services industry, and breaks down according to the type, application, and consumption area of Funeral Services. The report also conducted a PESTEL analysis of the industry to study the main influencing factors and entry barriers of the industry.

In Chapter 3.4 of the report, the impact of the COVID-19 outbreak on the industry was fully assessed. Fully risk assessment and industry recommendations were made for Funeral Services in a special period. This chapter also compares the markets of Pre COVID-19 and Post COVID-19.

In addition, chapters 8-12 consider the impact of COVID-19 on the regional economy.
