Abstracts

While many items can be pawned, pawnshops typically accept jewels, musical instruments, home audio equipment, computers, video game systems, televisions, cameras, power tools, firearms, and other relatively valuable items as collateral.

This report elaborates the market size, market characteristics, and market growth of the Pawn industry, and breaks down according to the type, application, and consumption area of Pawn. The report also conducted a PESTEL analysis of the industry to study the main influencing factors and entry barriers of the industry.

In Chapter 3.4 of the report, the impact of the COVID-19 outbreak on the industry was fully assessed. Fully risk assessment and industry recommendations were made for Pawn in a special period. This chapter also compares the markets of Pre COVID-19 and Post COVID-19.

In addition, chapters 8-12 consider the impact of COVID-19 on the regional economy.
