Abstracts

Takaful is a Sharia-compliant Islamic insurance product, where members of the community contribute money or a part of their earnings to a pooling system that guarantees against any loss or damage. The underlying principle of takaful portrays the responsibility of each to cooperate and protect each other.

This report elaborates the market size, market characteristics, and market growth of the Takaful industry, and breaks down according to the type, application, and consumption area of Takaful. The report also conducted a PESTEL analysis of the industry to study the main influencing factors and entry barriers of the industry.

In Chapter 3.4 of the report, the impact of the COVID-19 outbreak on the industry was fully assessed. Fully risk assessment and industry recommendations were made for Takaful in a special period. This chapter also compares the markets of Pre COVID-19 and Post COVID-19.

In addition, chapters 8-12 consider the impact of COVID-19 on the regional economy.
