Abstracts

The ukulele originated in the 19th century, a small guitar-like instrument introduced to Hawaii by Portuguese immigrants, mainly from Madeira and the Azores. It was popular in other parts of the United States in the early 20th century and spread from there to the international. The pitch and volume of the instrument vary with size and structure.

This report elaborates the market size, market characteristics, and market growth of the Ukulele industry, and breaks down according to the type, application, and consumption area of Ukulele. The report also conducted a PESTEL analysis of the industry to study the main influencing factors and entry barriers of the industry.

In Chapter 3.4 of the report, the impact of the COVID-19 outbreak on the industry was fully assessed. Fully risk assessment and industry recommendations were made for Ukulele in a special period. This chapter also compares the markets of Pre COVID-19 and Post COVID-19.

In addition, chapters 8-12 consider the impact of COVID-19 on the regional economy.
