Abstracts

Greeting Cards are pieces of paper or cardboard upon which photos, drawings, and a verse of cheer, greeting, celebration, condolence, etc. have been printed or engraved. Greeting cards are decorated with a variety of images and include messages to appeal to diverse audiences, sentiment, and occasion to be remembered. Greeting cards are easily made at home using pen and paper or software sold by greeting card and other companies. Recently, virtual cards that include images and verse can be sent to someone by way of the Internet and e-mail and may be printed out on paper by the receiver. Despite the electronic availability of these cards, the greeting card industry continues to sell cards in retail store in huge numbers.
