## Abstracts

Accidents are unforeseen and can severely impact your life and well-being. Accidental mishaps just take a few seconds to turn your life upside down on emotional and financial grounds. A personal accident policy provides cover against accidental death & permanent/partial disability caused due to an accident; A Health Insurance Policy covers costs that are arising from any unforeseen hospitalization/ medical procedures. So, with a health plan, you don't need to worry about any expenses incurred by you or any family member's medical treatment.

Based on the Accident Insurance market development status, competitive landscape and development model in different regions of the world, this report is dedicated to providing niche markets, potential risks and comprehensive competitive strategy analysis in different fields. From the competitive advantages of different types of products and services, the development opportunities and consumption characteristics and structure analysis of the downstream application fields are all analyzed in detail. To Boost Growth during the epidemic era, this report analyzes in detail for the potential risks and opportunities which can be focused on.

In Chapter 2.4 of the report, we share our perspectives for the impact of COVID-19 from the long and short term.

In chapter 3.4, we provide the influence of the crisis on the industry chain, especially for marketing channels.

In chapters 8-13, we update the timely industry economic revitalization plan of the country-wise government.
