1. Does this report consider the impact of COVID-19 and the Russia-Ukraine war on the Assessment Services market?

Yes. As the COVID-19 and the Russia-Ukraine war are profoundly affecting the global supply chain relationship and raw material price system, we have definitely taken them

into consideration throughout the research, and in Chapters 1.7, 2.7, 4.X.1, 7.5, 8.7, we elaborate at full length on the impact of the pandemic and the war on the Assessment

Services Industry. 2. How do you determine the list of the key players included in the

report? With the aim of clearly revealing the competitive situation of the industry, we

concretely analyze not only the leading enterprises that have a voice on a global scale,

but also the regional small and medium-sized companies that play key roles and have

plenty of potential growth. Please find the key player list in Summary. 3. What are your

main data sources? Both Primary and Secondary data sources are being used while

compiling the report. Primary sources include extensive interviews of key opinion leaders

and industry experts (such as experienced front-line staff, directors, CEOs, and

marketing executives), downstream distributors, as well as end-users. Secondary

sources include the research of the annual and financial reports of the top companies,

public files, new journals, etc. We also cooperate with some third-party

databases. Please find a more complete list of data sources in Chapters 11.2.1 &

11.2.2. 4. Can I modify the scope of the report and customize it to suit my requirements?

Yes. Customized requirements of multi-dimensional, deep-level and high-quality can

help our customers precisely grasp market opportunities, effortlessly confront market

challenges, properly formulate market strategies and act promptly, thus to win them

sufficient time and space for market competition. Outline Chapter 1 mainly defines the

market scope and introduces the macro overview of the industry, with an executive summary of different market segments ((by type, application, region, etc.), including the definition, market size, and trend of each market segment.
