## Abstracts

Business travel is travel undertaken for work or business purposes, as opposed to other types of travel, such as for leisure purposes or regularly commuting between one's home and workplace.

Travel wholesaler as defined is an agent who offers travel-related products and services inside the travel industry. These travel-related products include tours, activities, accommodations and transportation. Most travelers prefer to book packages with includes almost everything (transportation, accommodation and tours). This is one of the reasons why wholesale travel suppliers play an important role in the travel industry. Wholesalers offer online booking for activities and tours and they should get commission in return. A worthwhile commission will surely motivate the wholesaler to generate prospective clients to the website of the travel suppliers.

The report combines extensive quantitative analysis and exhaustive qualitative analysis, ranges from a macro overview of the total market size, industry chain, and market dynamics to micro details of segment markets by type, application and region, and, as a result, provides a holistic view of, as well as a deep insight into the Business Travel for Travel Wholesaler market covering all its essential aspects.
