## Abstracts

Born from the bright, cheerful blossoms of the chamomile plant, chamomile essential oil is one of the most therapeutic of essential oils. Both German chamomile (*Matricaria recutita*) and Roman chamomile (*Chamaemelum nobile*) provide excellent health, even though their chemical makeup is a bit different. Although both have leaves with a scent reminiscent of apple or pineapple, and white, daisy-like flowers with yellow centers, Roman chamomile is a perennial that grows up to 12 inches tall, while German chamomile is an annual that grows twice as tall.

Based on the Chamomile Essential Oil market development status, competitive landscape and development model in different regions of the world, this report is dedicated to providing niche markets, potential risks and comprehensive competitive strategy analysis in different fields. From the competitive advantages of different types of products and services, the development opportunities and consumption characteristics and structure analysis of the downstream application fields are all analyzed in detail. To Boost Growth during the epidemic era, this report analyzes in detail for the potential risks and opportunities which can be focused on.

In Chapter 2.4 of the report, we share our perspectives for the impact of COVID-19 from the long and short term.

In chapter 3.4, we provide the influence of the crisis on the industry chain, especially for marketing channels.
