Abstracts

Corporate workforce development training is the training provided to employees who have joined organizations as freshers or have re-joined a specific job profile in the same organization. This training could be teaching of technical as well as non-technical skills. The learning gap emerges when the knowledge gained in universities and colleges is not enough to help an individual perform at workplaces. The foremost benefit of providing this training is that employees become well-aware of their roles and responsibilities related to the job.

The Corporate Workforce Development Training market revenue was xx Million USD in 2016, grew to xx Million USD in 2020, and will reach xx Million USD in 2026, with a CAGR of xx during 2020-2026.
