Abstracts

Dim Sun is a style of Chinese cuisine (particularly Cantonese but also other varieties) prepared as small bite-sized portions of food served in small steamer baskets or on small plates. Dim sum dishes are usually served with tea and together form a full tea brunch. Dim sum traditionally are served as fully cooked, ready-to-serve dishes. In Cantonese teahouses, carts with dim sum will be served around the restaurant for diners to order from without leaving their seats. The Cantonese tradition of having endless cups of tea and dim sum is also called yum cha, which means 'drink tea' in Cantonese.

Based on the Dim Sun market development status, competitive landscape and development model in different regions of the world, this report is dedicated to providing niche markets, potential risks and comprehensive competitive strategy analysis in different fields. From the competitive advantages of different types of products and services, the development opportunities and consumption characteristics and structure analysis of the downstream application fields are all analyzed in detail. To Boost Growth during the epidemic era, this report analyzes in detail for the potential risks and opportunities which can be focused on.

In Chapter 2.4 of the report, we share our perspectives for the impact of COVID-19 from the long and short term.
