Intellectual property refers to creations of the mind: inventions; literary and artistic works; and symbols, names and images used in commerce. A royalty is a payment to an owner for the ongoing use of their asset or property, such as patents, copyrighted works, franchises, or natural resources. A royalty payment is made to the legal owner of the property, patent, copyrighted work, or franchise by licensees or franchisees who wish to make use of it for the purposes of generating revenue or other such desirable activities.
