Abstracts

Aerospace & Defense in Scandinavia

SUMMARY

Aerospace & Defense in Scandinavia industry profile provides top-line qualitative and quantitative summary information including: market share, market size (value 2012-16, and forecast to 2021). The profile also contains descriptions of the leading players including key financial metrics and analysis of competitive pressures within the market.

Essential resource for top-line data and analysis covering the Scandinavia aerospace & defense market. Includes market size and segmentation data, textual and graphical analysis of market growth trends, leading companies and macroeconomic information.

SCOPE

Save time carrying out entry-level research by identifying the size, growth, major segments, and leading players in the aerospace & defense market in Scandinavia

Use the Five Forces analysis to determine the competitive intensity and therefore attractiveness of the aerospace & defense market in Scandinavia

Leading company profiles reveal details of key aerospace & defense market players' global operations and financial performance

Add weight to presentations and pitches by understanding the future growth prospects of the Scandinavia aerospace & defense market with five year forecasts

REASONS TO BUY

What was the size of the Scandinavia aerospace & defense market by value in 2016?

What will be the size of the Scandinavia aerospace & defense market in 2021?

What factors are affecting the strength of competition in the Scandinavia aerospace & defense market?

How has the market performed over the last five years?

Who are the top competitors in Scandinavia's aerospace & defense market?

Contents
