Abstracts

Aerospace & Defense Top 5 Emerging Markets Industry Guide 2017-2021

SUMMARY

The Emerging 5 Aerospace & Defense industry profile provides top-line qualitative and quantitative summary information including: market size (value 2012-16, and forecast to 2021). The profile also contains descriptions of the leading players including key financial metrics and analysis of competitive pressures within the market.

SYNOPSIS

Essential resource for top-line data and analysis covering the emerging five aerospace & defense market. Includes market size and segmentation data, textual and graphical analysis of market growth trends and leading companies.

KEY HIGHLIGHTS

These countries contributed \$1,40,998.3 million to the global aerospace & defense industry in 2016, with a compound annual growth rate (CAGR) of 9% between 2007 and 2011. The top 5 emerging countries are expected to reach a value of \$2,37,175.5 million in 2021, with a CAGR of 11% over the 2016-21 period.

Within the aerospace & defense industry, China is the leading country among the top 5 emerging nations, with market revenues of \$97,761.1 million in 2016. This was followed by India and Brazil with a value of \$27,493.9 and \$9,159.9

million, respectively.

China is expected to lead the aerospace & defense industry in the top five emerging nations, with a value of \$1,68,479.5 million in 2021, followed by India and Brazil with expected values of \$48,048.5 and \$10,820.2 million, respectively.

SCOPE

Save time carrying out entry-level research by identifying the size, growth, major segments, and leading players in the emerging five aerospace & defense market

Use the Five Forces analysis to determine the competitive intensity and therefore attractiveness of the emerging five aerospace & defense market

Leading company profiles reveal details of key aerospace & defense market players' emerging five operations and financial performance

Add weight to presentations and pitches by understanding the future growth prospects of the emerging five aerospace & defense market with five year forecasts

Compares data from Brazil, China, India, Mexico and South Africa, alongside individual chapters on each country

REASONS TO BUY

What was the size of the emerging five aerospace & defense market by value in 2016?

What will be the size of the emerging five aerospace & defense market in 2021?

What factors are affecting the strength of competition in the emerging five aerospace & defense market?

How has the market performed over the last five years?

What are the main segments that make up the emerging five aerospace & defense market?

Contents

- Introduction
- What is this report about?
