## Abstracts

Affiliated Managers Group Inc - Company Profile and SWOT Analysis

### SUMMARY

Affiliated Managers Group Inc - Company Profile and SWOT Analysis, is a source of comprehensive company data and information. The report covers the company's structure, operation, SWOT analysis, product and service offerings and corporate actions, providing a 360° view of the company.

### KEY HIGHLIGHTS

Affiliated Managers Group Inc (AMG) is a global asset management company that partners with and invests in leading independent investment firms worldwide. The company's primary activities involve generating long-term value by investing in a diverse array of high-quality independent partner-owned firms and allocating resources to areas of high growth and return. AMG offers investment products across a broad array of active, alpha-oriented strategies. Its products and services serve to institutional and retail clients globally, providing investment management or customized investment counseling and fiduciary services. It leverages its global institutional distribution platform to extend the reach of its Affiliates' business development efforts. The company operates in key markets around the world, including Boston, Stamford, West Palm Beach, London, Tokyo, Sydney, and Dubai. AMG is headquartered in West Palm Beach, Florida, the US.
