Abstracts

Agility Public Warehousing Co - Strategy, SWOT and Corporate Finance Report

SUMMARY

Agility Public Warehousing Co - Strategy, SWOT and Corporate Finance Report, is a source of comprehensive company data and information. The report covers the company's structure, operation, SWOT analysis, product and service offerings and corporate actions, providing a 360° view of the company.

KEY HIGHLIGHTS

Agility Public Warehousing Co (Agility) is a logistics services provider. The company provides supply chain solutions and freight management services through various modes of transportation including air, sea and road. Its major customers include governments, ministry of defense, international organizations and household consumers. The company manages end-to-end inventory planning and replenishment needs of customers including purchasing, ordering and quality control. Agility also manages commercial and industrial real estate properties in North Africa and Middle East, apart from offering solutions for waste management and recycling, and customs optimization and clearance services. The company also develops warehousing and light industrial parks in the Middle East, Americas, Africa, and Asia. Agility also provides after sales services such as reverse logistics, service parts logistics and exchange logistics. It offers logistics solutions through its wide network of offices and warehousing facilities spread across the world. Agility is headquartered in Safat, Kuwait.
