Abstracts

Alberta Investment Management Corp %li%Strategy, SWOT and Corporate Finance Report

Summary

Alberta Investment Management Corp %li%Strategy, SWOT and Corporate Finance Report, is a source of comprehensive company data and information. The report covers the company's structure, operation, SWOT analysis, product and service offerings and corporate actions, providing a 360° view of the company.

Key Highlights

Alberta Investment Management Corp (AIMCo) is an institutional investment manager. It offers investment management solutions to the Province of Alberta endowment funds, some public sector pension plans, and other government funds. The company places investments on behalf of its clients in asset classes such as equities, money market and fixed income assets, and inflation-sensitive instruments; and in international markets including the UK, Canada, New Zealand, Australia, the US, and Rest of the World. It invests in segregated investments owned by client or aggregated in one or more of its own-managed pooled investment portfolios. A few of its investments are managed by third-party investment managers. The company operates through offices in Canada, Luxembourg, and the UK. AIMCo is headquartered in Alberta, Canada.
