Allegiant Travel Co - Company Profile and SWOT Analysis

SUMMARY

Allegiant Travel Co - Company Profile and SWOT Analysis, is a source of comprehensive company data and information. The report covers the company's structure, operation, SWOT analysis, product and service offerings and corporate actions, providing a 360° view of the company.

KEY HIGHLIGHTS

Allegiant Travel Co (Allegiant) operates as a leisure travel service provider. The company offers air transportation services, both as a standalone offering and bundled with other air-related and third-party services and products. The company's services include optional air-related services such as baggage fees, advance seat assignments, travel protection products, change fees, call center services for purchases, priority boarding, customer convenience fees, onboard food and beverage purchases, and other air-related services. Its services are primarily used by leisure travelers from under-served cities. In addition to its airline services, Allegiant also offers third-party travel products such as hotel rooms and ground transportation options, including rental cars and hotel shuttle products, to its passengers. Its aircraft fleet includes Airbus A319 and Airbus A320. The company operates across the US. Allegiant is headquartered in Las Vegas, Nevada, the US.
