Allergan plc - Strategy, SWOT and Corporate Finance Report

Summary

Allergan plc - Strategy, SWOT and Corporate Finance Report, is a source of comprehensive company data and information. The report covers the company's structure, operation, SWOT analysis, product and service offerings and corporate actions, providing a 360° view of the company.

Key Highlights

Allergan plc (Allergan or 'the company') is a pharmaceutical company that develops, manufactures and markets branded pharmaceutical products, biologic, device, surgical and regenerative medicine products. The company offers products in various therapeutic areas, including central nervous system, eye care, medical aesthetics and dermatology, gastroenterology, women's health, urology and anti-infective therapeutic categories. Allergan sells its brand and aesthetic products to drug wholesalers, retailers and distributors, including national retail drug and food store chains, hospitals, clinics, mail order retailers, government agencies and managed healthcare providers such as health maintenance organizations and other institutions. It has business presence in the US, Europe, Asia and other regions of the world. The company is headquartered in Dublin, Ireland.
