## KEY HIGHLIGHTS

Armor Designs, Inc. (ADID) is a provider of armor technologies and products to protect military, law enforcement and commercial personnel and assets. The company designs, develops, manufactures and markets armor materials and solutions. It also designs and manufactures personal protection equipment, ground based vehicle armor, aircraft and rotor-craft armor and protection solutions for energy and infrastructure assets. In addition, it provides armor plates such as trauma minimizing, inconjunction, and stand alone plates, apart from offering helmets and shields for personal protection.

Furthermore, the company offers blast mitigation material solution to protect power generating facilities, pipelines, valve stations and other energy structures through its patented Volumetrically Controlled Manufacturing (VCM). It primarily serves the US Armed Forces, the US Army Marines, American and foreign law enforcement agencies, government institutions, power and utility companies and telecommunication companies. ADID is headquartered in Phoenix, Arizona, the US.
