Renewable Energy in Austria

### Summary

Renewable Energy in Austria industry profile provides top-line qualitative and quantitative summary information including: market size (value 2019-24, and forecast to 2029). The profile also contains descriptions of the leading players including key financial metrics and analysis of competitive pressures within the market.

### Key Highlights

Renewable energy market includes net generation of electricity through renewable sources. Market is segmented into hydroelectricity, wind, solar PV, biopower, and geothermal. Market volume represents the net volume of electricity produced through renewable means. Market value is calculated by multiplying the amount of electricity produced by the wholesale price.

The Austrian renewable energy market recorded revenues of \$3,563.5 million in 2024, representing a compound annual growth rate (CAGR) of 2.8% between 2019 and 2024.

Market production volume increased with a CAGR of 2.1% between 2019 and 2024, reaching a total of 58,505.4 GWh in 2024.

In 2024, the Austrian renewable energy production recorded an annual growth of 4.0% due to the substantial increase in installed renewable energy capacity. According to the US EIA, in 2024, the Austrian renewable electricity installed capacity reached 19.8 million kilowatts (kW), up 5.8% annually.

## Scope

Save time carrying out entry-level research by identifying the size, growth, major segments, and leading players in the renewable energy market in Austria

Use the Five Forces analysis to determine the competitive intensity and therefore attractiveness of the renewable energy market in Austria

Leading company profiles reveal details of key renewable energy market players' global operations and financial performance

Add weight to presentations and pitches by understanding the future growth prospects of the Austria renewable energy market with five year forecasts

## Reasons to Buy

What was the size of the Austria renewable energy market by value in 2024?

What will be the size of the Austria renewable energy market in 2029?

What factors are affecting the strength of competition in the Austria renewable energy market?

How has the market performed over the last five years?

What are the main segments that make up Austria's renewable energy market?

## Companies Mentioned

Verbund AG  
EVN Naturkraft Erzeugungsgesellschaft mbH  
Wien Energie GmbH
