BPO Services in France

Summary

BPO Services in France industry profile provides top-line qualitative and quantitative summary information including: market size (value 2016-20, and forecast to 2025). The profile also contains descriptions of the leading players including key financial metrics and analysis of competitive pressures within the market.

Key Highlights

BPO services include revenues generated both from signed deals that remain under contract and the annual revenues associated with new contracts signed within a particular calendar year. The services include the outsourcing of functions such as customer relationship management, knowledge process outsourcing, finance & accounting, human resources, procurement, and vertical-specific processes. The total value of the market represents the demand for the service coming from a particular country.

The French BPO services market is expected to generate total revenues of \$10.4bn in 2020, representing a compound annual growth rate (CAGR) of 3.4% between 2016 and 2020.

The HR outsourcing segment is expected to be the market's most lucrative in 2020, with total revenues of \$4.1bn, equivalent to 39.3% of the market's overall value.

A tighter labor market increased revenue in the HR services segment in 2019,

while the BPO market continued to be driven by the strong growth of vertical-specific BPO services.
