Abstracts

Canada Pension Plan Investment Board - Strategy, SWOT and Corporate Finance Report

SUMMARY

Canada Pension Plan Investment Board - Strategy, SWOT and Corporate Finance Report, is a source of comprehensive company data and information. The report covers the company's structure, operation, SWOT analysis, product and service offerings and corporate actions, providing a 360° view of the company.

KEY HIGHLIGHTS

Canada Pension Plan Investment Board (CPPIB) is an investment company, which is governed by the Canada Pension Plan Investment Board Act and primarily invests in public equities, private equities, real estate, bonds, private debts, infrastructure, and fixed-income instruments. The company segregates its offerings into total portfolio management, real assets, private equity, credit investments, active equities, and capital markets, and factor investing. Total portfolio management offers portfolio management and asset diversification services. Real assets include private real estate debts, infrastructure, and real estate in Europe, Asia, and the Americas. Private equities offer investments in global entities actively engaged with funds, secondaries, and direct private equity. Credit investments provide investments in term loans, high-yield bonds, mezzanine lending, structured products, and other types of credit instruments. Active equities offer investments in securities and public and soon-to-be public companies. Capital market and factor investing offer investment solutions pertaining to public equities, fixed-income securities, currencies, commodities, and derivatives. The

company has operations in Canada, the UK, Hong Kong, the US, and Brazil. CPPIB is headquartered in Toronto, Ontario, Canada
