## SCOPE

Save time carrying out entry-level research by identifying the size, growth, major segments, and leading players in the emerging five chemicals market

Use the Five Forces analysis to determine the competitive intensity and therefore attractiveness of the emerging five chemicals market

Leading company profiles reveal details of key chemicals market players' emerging five operations and financial performance

Add weight to presentations and pitches by understanding the future growth prospects of the emerging five chemicals market with five year forecasts

Compares data from Brazil, China, India, Mexico and South Africa, alongside individual chapters on each country

## REASONS TO BUY

What was the size of the emerging five chemicals market by value in 2020?

What will be the size of the emerging five chemicals market in 2025?

What factors are affecting the strength of competition in the emerging five chemicals market?

How has the market performed over the last five years?

What are the main segments that make up the emerging five chemicals market?
