Abstracts

City Profile %li%Abu Dhabi; Comprehensive overview of the city, PEST analysis and analysis of key industries including technology, tourism and hospitality, construction and retail

Summary

“City Profile %li%Abu Dhabi” provides historical and forecast data on key city level metrics along with analytical coverage of the latest political, economic, social, technological, infrastructural, legal and environmental issues affecting Mexico city. The report contains detailed tourism, retail, construction, technology and public infrastructure data and insight into economic, social, and industry trends.

Abu Dhabi emirate is the most populous emirate in the UAE. The emirate is focusing on diversifying away from hydrocarbons through the Abu Dhabi Economic Vision 2030 and investing in non-oil sectors. Despite global economic challenges and fluctuations in the oil market, the emirate's real GDP grew by 3.1% in 2023, supported by the Abu Dhabi Industrial Strategy.

Scope

Abu Dhabi emirate economy is driven by its vast oil and gas reserves, with the manufacturing and mining sectors contributing over 50% to the gross value added

Abu Dhabi is leveraging its natural beauty and cultural heritage to boost its tourism sector, with significant efforts led by the Department of Culture and Tourism (DCT). The emirate is focusing on enhancing its appeal as a premier beach, nature, and cultural destination through initiatives like the Saadiyat Vision 2025, aiming to attract 19 million visitors by 2025.

The construction sector of Abu Dhabi emirate contributed 9.3% to the emirate's total GVA, with the industry adding AED101.8 billion (\$27.7 billion) to the economy. The industry is projected to grow significantly due to investments in infrastructure and sustainable energy.

Reasons to Buy

Gain a comprehensive knowledge of future economic and demographic trends and understand the performance of various sectors within the city.

Analyze and understand the business environment in the city to align your investment and expansion strategies.

The report helps to drive a conclusion in choosing a suitable city to invest or expand according to your business structure.

Explore new opportunities in the hospitality, tourism, construction, real estate and retail sectors.
