Abu Dhabi - Comprehensive Overview of the City, PEST Analysis and Analysis of Key Industries including Technology, Tourism and Hospitality, Construction and Retail

SUMMARY

“City Profile - Abu Dhabi” provides historical and forecast data on key city level metrics along with analytical coverage of the latest political, economic, social, technological, infrastructural, legal and environmental issues affecting Mexico city.

Abu Dhabi emirate, the largest of the seven in terms of area, is the capital of the UAE. Abu Dhabi emirate’s population in 2021 stood at 3.10 million or 31.1% of the country's population in 2021. The strategic oil and non-oil sectors driving the emirate’s economy are energy, petrochemicals, aerospace, and defense, pharmaceuticals, biotechnology, life sciences, tourism, healthcare, transportation, trade, education, media, financial services, and telecommunications. In 2021, the meirate contributed 60.4% to the country’s GDP.

The report contains detailed tourism, retail, construction, technology and public infrastructure data and insight into economic, social, and industry trends.

SCOPE

The industrial sector remains the key contributor to the regional economy, while

service sector is the major employer.

Abu Dhabi is a key tourist destination for both domestic and international tourists and experienced healthy growth over the last two years. However, in 2020, the pandemic affected the international tourism sector of Abu Dhabi emirate, in line with the rest of the country. Increased vaccination efforts, expanding green list countries, and easing of border controls worldwide is expected to revitalize the emirate's tourism sector in 2022.
