## Abstracts

City Profile %li%Brasilia; Comprehensive overview of the city, PEST analysis and analysis of key industries including technology, tourism and hospitality, construction and retail

### Summary

“City Profile %li%Brasilia” provides historical and forecast data on key city level metrics along with analytical coverage of the latest political, economic, social, technological, infrastructural, legal and environmental issues affecting Brasilia.

The report contains detailed tourism, retail, construction, technology and public infrastructure data and insight into economic, social, and industry trends.

Brasilia is the capital city of Brazil and also the seat of the Government of the Federal District. The city is commonly referred to as "Capital Federal" or "BSB", and is considered a World Heritage by the UNESCO, due to its architectural and urban setup. The economy of Brasilia is driven by the services sector, contributing 96.6% to the total GVA of the local economy in 2021.

### Scope

Brasilia's growth potential thrives with innovation, investment, and local production. In 2021, government measures and economic revival spurred a

4.9% growth.

Brasilia is a key tourist destination for both domestic and international tourists.

## Reasons to Buy

Gain a comprehensive knowledge of future economic and demographic trends and understand the performance of various sectors within the city.

Analyze and understand the business environment in the city to align your investment and expansion strategies.

The report helps to drive a conclusion in choosing a suitable city to invest or expand according to your business structure.

Explore new opportunities in the hospitality, tourism, construction, real estate and retail sectors.
