## Abstracts

Civil Engineering North America (NAFTA) Industry Guide 2018-2022

### SUMMARY

The NAFTA Civil Engineering industry profile provides top-line qualitative and quantitative summary information including: market size (value 2013-17, and forecast to 2022). The profile also contains descriptions of the leading players including key financial metrics and analysis of competitive pressures within the market.

### SYNOPSIS

Essential resource for top-line data and analysis covering the NAFTA civil engineering market. Includes market size data, textual and graphical analysis of market growth trends and leading companies.

### KEY HIGHLIGHTS

The North American Free Trade Agreement (NAFTA) is a trade agreement between the countries in North America: the US, Canada and Mexico. The civil engineering industry within the NAFTA countries had a total market value of \$502.3 billion in 2017. The US was the fastest growing country, with a CAGR of 5.3% over the 2013-17 period.

Within the civil engineering industry, the US is the leading country among the NAFTA bloc, with market revenues of \$331.6 billion in 2017. This was followed by Canada and Mexico, with a value of \$155.4 and \$15.3 billion, respectively.

The US is expected to lead the civil engineering industry in the NAFTA bloc, with a value of \$398.5 billion in 2022, followed by Canada and Mexico with expected values of \$187.4 and \$18.0 billion, respectively.

## **SCOPE**

Save time carrying out entry-level research by identifying the size, growth, and leading players in the NAFTA civil engineering market

Use the Five Forces analysis to determine the competitive intensity and therefore attractiveness of the NAFTA civil engineering market

Leading company profiles reveal details of key civil engineering market players' NAFTA operations and financial performance

Add weight to presentations and pitches by understanding the future growth prospects of the NAFTA civil engineering market with five year forecasts

Compares data from the US, Canada and Mexico, alongside individual chapters on each country

## **REASONS TO BUY**

What was the size of the NAFTA civil engineering market by value in 2017?

What will be the size of the NAFTA civil engineering market in 2022?

What factors are affecting the strength of competition in the NAFTA civil engineering market?

How has the market performed over the last five years?

How large is the NAFTA civil engineering market in relation to its regional counterparts?
