Abstracts

Consumer Portfolio Services Inc %li%Company Profile and SWOT Analysis

Summary

Consumer Portfolio Services Inc %li%Company Profile and SWOT Analysis, is a source of comprehensive company data and information. The report covers the company's structure, operation, SWOT analysis, product and service offerings and corporate actions, providing a 360° view of the company.

Key Highlights

Consumer Portfolio Services Inc (CPS) is a specialty finance company. It focuses on activities of servicing and purchasing retail automobile contracts originating from automobile dealers (franchises) and independent dealers in the US in the sale of new and used automobiles, passenger vans, and light trucks. CPS provides indirect financing to the customers of dealers with past credit problems and limited credit histories. It also provides financing for dealers, facilitating sales to specific customers, who are unable to obtain financing from other sources such as commercial banks, captive finance companies, and credit unions. The company also purchases automobile contracts through its sales marketing representatives from its servicing branches located in Virginia, Nevada, Florida, California, and Illinois. CPS is headquartered in Irvine, California, the US.
