Country Chartbook - Top 10 Countries in the Middle East

SUMMARY

Since the introduction of globalization to the world's markets, considerable economic power has shifted East. Economies across the world have shrunk and expanded rapidly in the face of financial crisis, political instability, increasing protectionism and shifts in consumer demand and the traditionally predictable growth models of the 20th Century will likely never be experienced again.

KEY HIGHLIGHTS

The largest country is Saudi Arabia.

Consumer Price Inflation is highest in Egypt.

SCOPE

This report is a chartbook, which collects large datasets and displays them as easy-to-understand graphics and charts.

It identifies the largest country economies in a particular geography or grouping by 2018 nominal GDP.

It details the various economic and demographic factors of each country,

including extensive historical data ranges and forecasts over the next six years.

REASONS TO BUY
