Key Highlights

Dot Foods, Inc. (Dot Foods or 'the company') is a redistributor of food products in the US. The company buys full truckloads from manufacturers and consolidates their products in distribution centers and dispatches through distributors in all channels including food service, retail, vending and ingredients. It delivers food products through LTL (less-than-truckload) quantities to distributors in the US and others countries. It uses temperature-controlled fleets for the shipment of frozen, refrigerated and dry products. Dot Transportation, the company's wholly-owned subsidiary, operates regional product delivery from Dot warehouses to foodservice distributors and the Dot Expressway provides assistance for Dot Foods' foodservice customers to get access to product's prices, information and track packages. The company is headquartered in Mount Sterling, Illinois, the US.
