Abstracts

Entergy Corporation %li%Strategy, SWOT and Corporate Finance Report

Summary

Entergy Corporation %li%Strategy, SWOT and Corporate Finance Report, is a source of comprehensive company data and information. The report covers the company's structure, operation, SWOT analysis, product and service offerings and corporate actions, providing a 360° view of the company.

Key Highlights

Entergy Corporation (Entergy or 'the company') is an integrated energy company that carries out the electric power production and retail distribution operations. The company generates electricity from various sources such as nuclear, natural gas, coal, hydroelectric, solar and oil based power plants. It sells electricity generated at its nuclear plants to wholesale customers and owns interests in non-nuclear power plants which sell electricity produced to wholesale customers. Entergy supplies electricity to utility customers in Louisiana, Mississippi, Arkansas, and Texas and supplies natural gas to customers in Baton Rouge and New Orleans. The company is headquartered in New Orleans, Louisiana, the US.
