Abstracts

Summary

Equity Residential - Company Profile and SWOT Analysis, is a source of comprehensive company data and information. The report covers the company's structure, operation, SWOT analysis, product and service offerings and corporate actions, providing a 360° view of the company.

Key Highlights

Equity Residential (EQR) is a real estate investment trust that specializes in the acquisition, development, and management of residential properties. It primarily deals with multifamily residential properties, offering rental and related services through its apartment units. The company's primary focus is on properties located in and around dynamic cities that attract affluent long-term renters. Its services cater to affluent long-term renters in dynamic urban areas. EQR operates through ERP Operating Limited Partnership (ERPOP), which focuses on conducting the multifamily property business of EQR. The company operates through its own property management offices located in major cities of the US, including Boston, New York, Washington, D.C., Seattle, San Francisco, and Southern California. EQR is headquartered in Chicago, Illinois, the US.
