Eurofins Scientific SE - Strategy, SWOT and Corporate Finance Report

Summary

Eurofins Scientific SE - Strategy, SWOT and Corporate Finance Report, is a source of comprehensive company data and information. The report covers the company's structure, operation, SWOT analysis, product and service offerings and corporate actions, providing a 360° view of the company.

Key Highlights

Eurofins Scientific SE (Eurofins or 'the company') is a life sciences company that is primarily involved in providing a range of analytical testing services to its clients across multiple industries. These comprise REACH services, food, and feed testing services, genomic services, and pharma services, for a few. Eurofins analytical methods analyzes the safety and authenticity of various substances and biological products. The company minimises pesticides, heavy metals, dioxins, persistent organic pollutants, and chemical containments through food and environmental testing. Eurofins also offers environmental testing such as water testing, air testing, pollution testing, and soil testing. It has operations across the Americas, Europe, and Asia-Pacific regions. The company is headquartered in Luxembourg City, Luxembourg.

Scope
