Fertilizer in North America

Date:	October 14, 2014
Pages:	39
Price:	US\$ 350.00
ID:	F2C60B19A3DEN

INTRODUCTION

Fertilizer in North America industry profile provides top-line qualitative and quantitative summary information including: market size (value 2009-13, and forecast to 2018). The profile also contains descriptions of the leading players including key financial metrics and analysis of competitive pressures within the market. Essential resource for top-line data and analysis covering the North America fertilizer market. Includes market size data, textual and graphical analysis of market growth trends, leading companies and macroeconomic information.

HIGHLIGHTS

- The fertilizer market volume (measured in tonnes) is the annual agricultural consumption of manufactured fertilizer containing nutrients nitrogen (N), potash (K₂O), and phosphates (P₂O₅).
- The North American fertilizer market had total revenues of \$14,071.5m in 2013, representing a compound annual growth rate (CAGR) of 4.8% between 2009 and 2013.
- Market consumption volume increased with a CAGR of 5.1% between 2009 and 2013, to reach a total of 25,756.9 million tonnes in 2013.
- The performance of the market is forecast to decline, with an anticipated CARC of -0.3% for the five-year period 2013 - 2018, which is expected to drive the market to a value of \$13,890.0m by the end of 2018.

FEATURES

- Save time carrying out entry-level research by identifying the size, growth, and leading players in the fertilizer market in North America
- Use the Five Forces analysis to determine the competitive intensity and therefore attractiveness of the fertilizer market in North America
- Leading company profiles reveal details of key fertilizer market players' global operations and financial performance
- Add weight to presentations and pitches by understanding the future growth prospects of the North America fertilizer market with five year forecasts

Macroeconomic indicators provide insight into general trends within the North America economy

KEY QUESTIONS ANSWERED

- What was the size of the North America fertilizer market by value in 2013?
- What will be the size of the North America fertilizer market in 2018?
- What factors are affecting the strength of competition in the North America fertilizer market?
- How has the market performed over the last five years?
