KEY HIGHLIGHTS

Glacier Water Services, Inc. (Glacier Water) is a provider of drinking water through self-service bottled water machines based in the US. The company manufactures, distributes and operates water and ice vending machines in North American countries. Through its sophisticated water treatment, filtration and vending systems the company provide convenient, low-cost access to drinking water. Glacier Water's product portfolio includes coin operated water machines, in-store water machines and ice machines. These vending machines are usually located at supermarkets and other retail outlets under commission arrangements with the retailers. It conducts business operations in Canada through a wholly-owned subsidiary, Gestion Bi-Eau Pure, Inc. Glacier Water is headquartered in Vista, California, US.
