Abstracts

H and H International AS %li%Strategy, SWOT and Corporate Finance Report

Summary

H and H International AS %li%Strategy, SWOT and Corporate Finance Report, is a source of comprehensive company data and information. The report covers the company's structure, operation, SWOT analysis, product and service offerings and corporate actions, providing a 360° view of the company.

Key Highlights

H+H International AS (HH) is a manufacturer and supplier of wall building materials. The company provides autoclaved aerated concrete (AAC), and calcium silicate units. Its key products include thin-joint blocks and panels for interior and exterior walls, foundation blocks, reinforced elements for walls, floor and roofs, beams and lintels, separating walls, internal partition walls, cavity walls, and solid foundations. HH also provides after-sales support services. The company's products and solutions find application in construction of walls in residential, industrial, commercial and other non-residential buildings. It serves interior designers, building contractors, developers, builder merchants, and housebuilders. The company operates 32 factories in Northern and Central Europe. It operates sales offices in the UK, Germany, Poland, Sweden, Switzerland, and Benelux. HH is headquartered in Copenhagen, Denmark.
