The profile also contains descriptions of the leading players including key financial metrics and analysis of competitive pressures within the market.

KEY HIGHLIGHTS

The hotels & motels industry consists of establishments that provide paid lodging and full guest services, typically with a continuous staff presence. In the case of motels, this includes off-street parking facilities, but not necessarily meal services. The industry is detailed in both value and volume terms.

The Hong Kongese hotels & motels industry had total revenues of \$714.0 million in 2021, representing a negative compound annual rate of change (CARC) of 33.6% between 2016 and 2021.

Industry consumption volume increased with a compound annual growth rate (CAGR) of 3.9% between 2016 and 2021, to reach a total of 319 establishments in 2021.

The government of the country established an agency "Culture, Sports &

Tourism Bureau” on July 1, 2022, which creates the synergy between the three sectors to promote their long-term development.
