The profile also contains descriptions of the leading players including key financial metrics and analysis of competitive pressures within the market.

KEY HIGHLIGHTS

The hotels & motels industry consists of establishments that provide paid lodging and full guest services, typically with a continuous staff presence. In the case of motels, this includes off-street parking facilities, but not necessarily meal services. The industry is detailed in both value and volume terms.

The Nigerian hotels & motels industry is expected to generate total revenues of \$3.4bn in 2020, representing a compound annual growth rate (CAGR) of 6.9% between 2016 and 2020.

The number of establishments is expected decline at a CARC of -0.7% between 2016 and 2020, to reach a total of 2,684 establishments in 2020.

Room occupancy rates have grown in response to growing numbers of international arrivals. However, in 2019, growth in occupancy started to decelerate, up by just 0.1 percentage point.
