Hotels and Motels in North America - Market Summary, Competitive Analysis and Forecast to 2025

SUMMARY

Hotels & Motels in North America industry profile provides top-line qualitative and quantitative summary information including: market share, market size (value and volume 2016-20, and forecast to 2025). The profile also contains descriptions of the leading players including key financial metrics and analysis of competitive pressures within the market.

KEY HIGHLIGHTS

The hotels & motels industry consists of establishments that provide paid lodging and full guest services, typically with a continuous staff presence. In the case of motels, this includes off-street parking facilities, but not necessarily meal services. The industry is detailed in both value and volume terms.

The North American hotels and motels industry had total revenues of \$95.6bn in 2020, representing a compound annual rate of change (CARC) of -20.5% between 2016 and 2020.

The number of establishments increased with a compound annual growth rate (CAGR) of 0.8% between 2016 and 2020, to reach a total of 78,292.0 in 2020.

The US is one of the most popular destinations for adventure tourists, after

France, Germany, Spain, and Iceland. An increase in the number of adventure sports available in the US is resulting in higher tourist arrivals, which is driving growth in the travel and tourism market.
