### SUMMARY

Hotels & Motels in Turkey industry profile provides top-line qualitative and quantitative summary information including: market size (value 2016-20, and forecast to 2025). The profile also contains descriptions of the leading players including key financial metrics and analysis of competitive pressures within the market.

### KEY HIGHLIGHTS

The hotels & motels industry consists of establishments that provide paid lodging and full guest services, typically with a continuous staff presence. In the case of motels, this includes off-street parking facilities, but not necessarily meal services. The industry is detailed in both value and volume terms.

The Turkish hotels and motels industry had total revenues of \$3.3bn in 2020, representing a compound annual rate of change (CARC) of -16.8% between 2016 and 2020.

The number of establishments increased with a compound annual growth rate (CAGR) of 3.3% between 2016 and 2020, to reach a total of 3,092.0 in 2020.

Turkey has traditionally been a country that has drawn in a large number of tourists because of its rich historical background and cultural heritage. The

number of foreign tourists in Turkey has almost doubled since 2016, as political stability has returned.
