Abstracts

Industry Groups Chartbook - Online Retail in the Middle East & Africa

SUMMARY

The internet has revolutionized many areas of human activity, not least of all retailing. Today a huge share of the world's shopping is done online and traditional retailers are quickly falling in the wake of e-retail powerhouse companies. Retail has never been more competitive, and correct utilization of the internet is the single most important focal point for any retail business today.

KEY HIGHLIGHTS

The Middle East & African market has grown strongly in recent years, and is expected to continue to do so in the future.
