Abstracts

Summary

Inghams Group Ltd - Company Profile and SWOT Analysis, is a source of comprehensive company data and information. The report covers the company's structure, operation, SWOT analysis, product and service offerings and corporate actions, providing a 360° view of the company.

Key Highlights

Inghams Group Ltd (Inghams) is a vertically integrated poultry producer with a geographically diversified network across Australia and New Zealand. The company produces poultry products including chicken and turkey products across various categories, such as primary, free range, value-enhanced, further processed and ingredients. Inghams produces stock feed for dairy, poultry and equine industries. Its product portfolio includes sliced chicken breast strips, chicken roll, diced roast chicken meat, crumbed chicken wing dings, chicken munchies, chicken nuggets and chicken breast. The company supplies its products to retail, food service and quick-service restaurant customers. The company operates across Australia and New Zealand, targeting the poultry market in these regions. Inghams is headquartered in North Ryde, New South Wales, Australia.
